Principles and Procedures for Rearing Quality Insects
October 2-7, 2011

A Five-Day Workshop for Insectary Managers and Insect Rearing Specialists
Department of Entomology & Plant Pathology

The 2011 Insect Rearing Workshop is full. If you would like to be placed on the waiting list in case of cancellations, please email Barbara Perrigin, bep2@msstate.edu and give your name, agency name, address, telephone number and email. Those remaining on the waiting list after the 2011 Workshop will be given priority to preregister for the 2012 Workshop—providing seats for the 2012 Workshop remain available. Preregister now for the 2012 Workshop.

The course offered October 2-7, 2011, will include classroom and laboratory instruction, an insect rearing manual/CD, the book "Principles and Procedures for Rearing High Quality Insects", facility tours, social events and refreshments. The cost of the course will be $1025 (US funds). The entire amount may be paid when you return the registration form below, or a deposit of $275 (US funds) may be paid now and the balance when you arrive at the workshop. Registration will be limited to 26 individuals on a first come first serve basis. Cancellations after September 2, 2011, will result in forfeiture of the registration deposit. Confirmation of registration and MSU and Starkville area information will be mailed to each participant. For additional information, please contact Barbara Perrigin at (662) 325-2086 or bep2@msstate.edu.
